Velcro, fidgets, printing paper, file folders

List 3-5 items (\$5 or less) that would be a treat sure to make you smile.

coffee, donuts, chocolate

Anything else you think would help us get to know you

I married my college sweetheart and we have two beautiful girls and a sweet dog. We are a very close-knit family, often spending time with our extended family every chance we get. I enjoy being a teacher because I like counseling and inspiring kids and most of all I enjoy their sense of humor.
