## Last, But Not Least...

Special items your classroom is in need of (or always needs/runs out of)

Space \_\_\_\_\_

List 3-5 items (\$5 or less) that would be a treat sure to make you smile.

Playing cards, handwritten love notes from kids, oatmeal raisin cookies

Anything else you think would help us get to know you

I love odd things; the type of things most people find weird. I also really enjoy homemade items that come from the heart.

I like to run. I have 3 kids and 2 dogs. My hubby works from home and is ALWAYS home. I like pedis but hate having the bottom of my feet scrubbed.

I like pina colodas and walking home in the rain.
